

### § 3.8

### 26 CFR Ch. I (4–1–01 Edition)

(2) For purposes of section 607(h)(3)(C)(ii) of the Act, and for purposes of certain dispositions of vessels constructed, reconstructed, or acquired with qualified withdrawals described in § 3.6(e), the applicable rate of interest for any nonqualified withdrawal—

(i) Made in a taxable year beginning in 1970 and 1971 is 8 percent.

(ii) Made in a taxable year beginning after 1971, the rate for such year as determined and published jointly by the Secretary of the Treasury or his delegate and the Secretary of Commerce. Such rate shall bear a relationship to 8 percent which the Secretaries determine to be comparable to the relationship which the money rates and investment yields for the calendar year immediately preceding the beginning of the taxable year bear to the money rates and investment yields for the calendar year 1970. The determination of the applicable rate for any such taxable year will be computed by multiplying 8 percent by the ratio which (a) the average yield on 5-year Treasury securities for the calendar year immediately preceding the beginning of such taxable year, bears to (b) the average yield on 5-year Treasury securities for the calendar year 1970. The applicable rate so determined shall be computed to the nearest one-hundredth of 1 percent. If such a determination and publication is made, the latest published percentage shall apply for any taxable year beginning in the calendar year with respect to which publication is made.

(3) No interest shall be payable in respect of taxes on amounts referred to in section 607(h)(2) (i) and (ii) of the Act (relating to withdrawals for research and development and payments against indebtedness in excess of basis) or in the case of any nonqualified withdrawal arising from the application of the recapture provision of section 606(5) of the Merchant Marine Act, 1936, as in effect on December 31, 1969.

(f) *Basis and holding period in the case of property purchased by the fund or considered purchased by the fund.* In the case of a nonqualified withdrawal of property other than money which was purchased by the fund (including deposited property considered under § 3.2(g)(1)(ii) as purchased by the fund),

the adjusted basis of the property in the hands of the party is its adjusted basis to the fund on the day of the withdrawal. In determining the period for which the taxpayer has held the property withdrawn in a nonqualified withdrawal, there shall be included only the period beginning with the date on which the withdrawal occurred. For basis and holding period in the case of nonqualified withdrawals of property other than money deposited into the fund, see § 3.2(g)(4).

### **§ 3.8 Certain corporate reorganizations and changes in partnerships, and certain transfers on death. [Reserved]**

### **§ 3.9 Consolidated returns. [Reserved]**

### **§ 3.10 Transitional rules for existing funds.**

(a) *In general.* Section 607(j) of the Act provides that any person who was maintaining a fund or funds under section 607 of the Merchant Marine Act, 1936, prior to its amendment by the Merchant Marine Act of 1970 (for purposes of this part referred to as “old fund”) may continue to maintain such old fund in the same manner as under prior law subject to the limitations contained in section 607(j) of the Act. Thus, a party may not simultaneously maintain such old fund and a new fund established under the Act.

(b) *Extension of agreement to new fund.* If a person enters into an agreement under the Act to establish a new fund, he may agree to the extension of such agreement to some or all of the amounts in the old fund and transfer the amounts in the old fund to which the agreement is to apply from the old fund to the new fund. If an agreement to establish a new fund is extended to amounts from an old fund, each item in the old fund to which such agreement applies shall be considered to be transferred to the appropriate account in the manner provided for in § 3.8(d) in the new fund in a nontaxable transaction which is in accordance with the provisions of the agreement under which such old fund was maintained. For purposes of determining the amount of interest under section 607(h)(3)(C) of the Act and § 3.7(e), the
